madelinevu07@gmail.com | 757-641-6791 | Virginia Beach, VA

## EDUCATION

### College of William & Mary

Fall 2026 – Summer 2029

Bachelor of Science (BS), Computer Science

Relevant Coursework: CSCI 141 (Modern Programming Fundamentals), CSCI 100 (Critical Questions in Computer Science: Building the Digital World)

### Tidewater Community College (Dual Enrollment)

Spring 2026

Relevant Coursework: ITE 135 (Artificial Intelligence Awareness) – Machine Learning, Deep Learning, Neural Networks, Case Study Analysis

## WORK EXPERIENCE

### Canvas LMS Specialist Intern, Advanced Technology Center

Aug 2025 – Jun 2026

- Structured course modules in Canvas LMS using clean HTML/CSS and published timely announcements to keep students informed of key events.
- Troubleshoot user access, display, and navigational issues for students and instructors on Canvas LMS to ensure uninterrupted platform use.
- Created user guides, design artifacts, and technical documentation for LMS content to ensure full accessibility and ease of use for students and instructors.

### Hostess, Dockside Seafood and Fishing Center

May 2024 – Aug 2026

- Seated 100+ guests daily during high-volume shifts while accurately managing wait times and table rotation.
- Partnered closely with servers, bussers, and kitchen staff to streamline table turnover and maintain a clean host station.

## PROJECTS & COMPETITIONS

### Google Developer Student Club (GDSC), College of William & Mary

Fall 2026 – Present

Campus Escort App | Software Developer

- Maintain and improve a cross-platform Flutter app in Android Studio for Alpha Phi Omega's safety escort service.
- Utilize Git and GitHub for version control, feature branching, and pull requests.

### WHRO Great Computer Challenge: Web Design

Mar 2024 & 2025

Team Developer

- Directed a 5-member team in a 3-hour web development hackathon, securing 1<sup>st</sup> place, 2 years in a row.
- Created wireframes, implemented core HTML/CSS/JavaScript code, and authored project documentation to deliver a polished final technical demonstration.

## KEY SKILLS

HTML/CSS | JavaScript | Python | UI/UX Design | Git/Github | Adobe Creative Cloud | Figma | Bootstrap | Technical Documentation | Android Studio | Flutter | React Native | Dart | Machine Learning Fundamentals

## CERTIFICATIONS & CREDENTIALS

- May 2026: Graphic Design & Illustration Using Adobe Illustrator
- Mar 2026: IT Specialist: HTML5 Application Development
- May 2025: Visual Design using Adobe Photoshop 2025
- Apr 2025: IT Specialist: JavaScript
- May 2024: Web Authoring Using Adobe Dreamweaver 2021
- Mar 2024: IT Specialist: HTML and CSS

## AWARDS & SCHOLARSHIPS

2026 Advanced Technology Center Student of the Year: Web Design

National Technical Honor Society: Jon H. Poteat Scholarship (2026)

Society of American Military Engineers (SAME) Hampton Roads Post Scholarship (2026)
